Supply and Delivery of Mechanical Tools and Equipment for BPC CCGT Power Plant

Note:
This document is confidential and for use by the invited parties only. No party may share this document with any other party, except with the prior written consent of BPC.

1. SCOPE OF SUPPLY

Berakas Power Company Sdn Bhd (BPC) invites qualified suppliers to submit quotations for the supply and delivery of mechanical maintenance tools and equipment for the CCGT Plant.

The tools and equipment shall be new, unused, genuine products from the specified manufacturer or approved equivalent. All items shall be supplied complete with standard accessories, operating manuals, and manufacturer warranties.

2. TECHNICAL REQUIREMENTS

2.1 General Requirements

The Supplier shall:

a. Supply tools and equipment meeting the specifications listed in Appendix A.
b. Provide genuine products from the specified brands or approved equivalent.
c. Include manufacturer certificates, catalogues, and technical datasheets for verification.
d. Supply all batteries, chargers, carrying cases, and accessories required for normal operation.
e. Clearly indicate any deviations from the specified requirements.
f. Provide a minimum twelve (12) months manufacturer's warranty unless otherwise specified.

2.2 Quality Requirements

All supplied tools shall:

a. Be suitable for industrial power generation maintenance applications.
b. Be manufactured in accordance with relevant international standards.
c. Be free from defects in material and workmanship.
d. Be supplied with original manufacturer markings and identification labels.

3. DELIVERY REQUIREMENTS

a. Delivery period shall be clearly stated in the quotation.
b. Partial deliveries may be proposed but shall be clearly identified.
c. Supplier shall indicate warranty period and after-sales support arrangements.
g. All items shall be delivered to BPC stores.

4. PRICING REQUIREMENTS

All prices shall be quoted on a Delivered Duty Paid (DDP) basis and shall include all packing, freight, insurance, customs duties, import taxes, clearance charges and all associated delivery costs.

5. EVALUATION CRITERIA

a. Compliance with technical specifications.
b. Delivery schedule.
c. Warranty provisions.
d. Availability of local support.
e. Total evaluated cost.

6. SUPPLIER REQUIREMENTS

a. Company profile
b. Confirmation of compliance with specifications.
c. Contact details for further correspondence
d. Certificate of Business Registration
e. Company ownership structure, including directors and shareholders
f. Copy of the latest Form of Annual Return of a Company Having Share Capital
g. Official letter from a local bank issued in 2026, stating the names and designations of all authorized bank signatories

h. Copies of current ICs or passports of authorized bank signatories
i. Commercial quotation (refer Appendix A - Bill of Quantities)

7. TERMS AND CONDITIONS

a. BPC reserves the right to accept or reject any submission without assigning any reason
b. BPC is not obligated to accept the lowest bid
c. All costs incurred in preparation of submissions shall be borne by the bidder
d. Successful bidder shall enter into a formal agreement with BPC

8. SUBMISSION REQUIREMENTS

All bids shall be submitted electronically via BPC RFQ portal:
https://eproc.bpc-brunei.com/index.php/request-for-quotation/

Submission Closing Date: 30th November 2026 at 12:00 PM
